Ron,

I reviewed your case with both ADA Sekula and Sgt. Fry. I spoke to both within the past week. You had asked me to simply get back to you as to whether there would be prosecution, charges brought from the incident resulting in your arrest by F&M Public Safety officers. The Bureau will not be bringing criminal prosecution from the incident. The decision to not prosecute is made by me, after consulting with Sgt. Fry.
The incident was reviewed by the District Attorney's Office toward whether they felt we erred in this determinination. ADA Sekula had reviewed the information Sgt. Fry provided and supported the decision to not prosecute.

You may contact me if you have any questions, but I wanted to get back to you by the end of this week. I will be around most of next week. Please contact me if you have any questions.

Pete
